PARTNERSHIP BRIEF

America's DOJ-recognized prevention standard — now a service you can resell at scale.

One pre-integrated catalog. Recurring revenue. A **prevention standard already woven into** schools, campuses, enterprises, and agencies nationwide — and ready for your customers next.

ASPP™
A Trusted Entity

The DOJ chose this standard twice. **Safeware, Garrett, Everbridge, Allied Universal,** and 130+ partners chose the Community of Experts. Schools, campuses, enterprises, and government agencies trust ASPP™ to protect the people who count on them — the foundation any partnership is built on.

One catalog. One standard. Every layer.

From the first assessment to live response — the whole standard, sourced in one place, from one trusted partner:

- SECURITY & VULNERABILITY ASSESSMENTS
- BEHAVIORAL THREAT-ASSESSMENT AI
- KEYNOTES & SEMINARS
- IN-PERSON RESPONSE TRAINING
- TABLETOP EXERCISES
- AI WEAPON DETECTION
- METAL DETECTION & SCREENING
- ACCESS CONTROL
- LAMINATED & BALLISTIC GLASS
- BALLISTIC MATERIALS & SHIELDS
- GUNSHOT DETECTION
- DRONE-AS-FIRST-RESPONDER
- MASS NOTIFICATION
- INDOOR MAPPING & DIGITAL TWIN
- COOPERATIVE CONTRACT VEHICLES

01
SCALE & RECURRING REVENUE
A licensable P.R.O. Model™ LMS subscription on top of a pre-integrated hardware-and-services catalog — repeatable cart value across K-12, campus, faith, and enterprise buyers.

02
ONE TRUSTED VENDOR
Buyers stitch together a dozen vendors today. We've done the integration. Resell one vetted standard — one storefront, one SKU family, one accountable partner.

03
MISSION CREDIBILITY
The only twice-selected DOJ "A" National Standard in active shooter prevention. Prevention-first, non-partisan, evidence-backed — credibility to lead, not follow.

DOJ ×2	7,000+	60,000+	3	130+
"A" NATIONAL STANDARD SELECTED TWICE	SCHOOLS RUNNING BEHAVIORAL AI · 23 STATES	SCHOOLS REACHED BY WEAPON-DETECTION AI	REGISTERED SAVES — PREVENTION PROVEN	PARTNERS · 800+ YRS COMBINED EXPERTISE

TECH STACK

Built on autonomous, AI-driven technology: **computer-vision weapon detection** (ranked #2 on the COCO leaderboard), **acoustic gunshot triangulation**, **drone-as-first-responder**, and a **living indoor digital twin** that gives responders real-time situational awareness inside a building they've never entered.

THE ASK · THIRTY MINUTES

Put this standard within reach.

One conversation opens the full catalog — the P.R.O. Model™, the cooperative contract vehicles, and the Community of Experts who deliver it. That's where #NEVERHERE™ begins.
